

Escalar, ILP, DLP, TLP

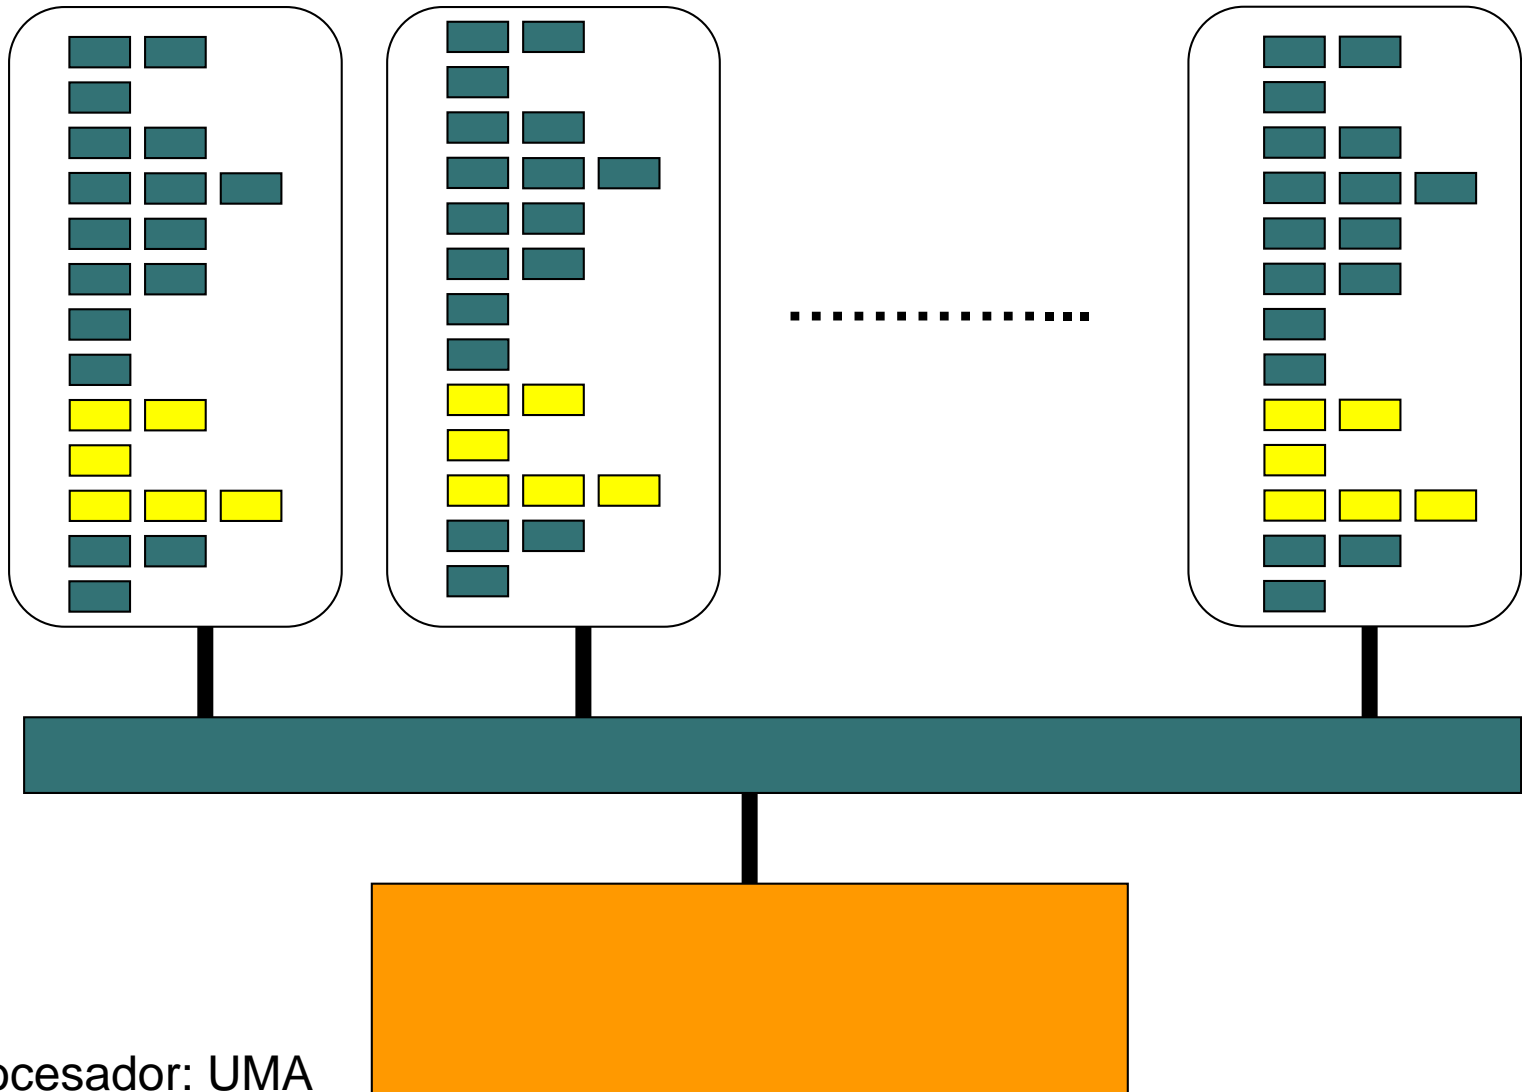

ILP y multiprocesador

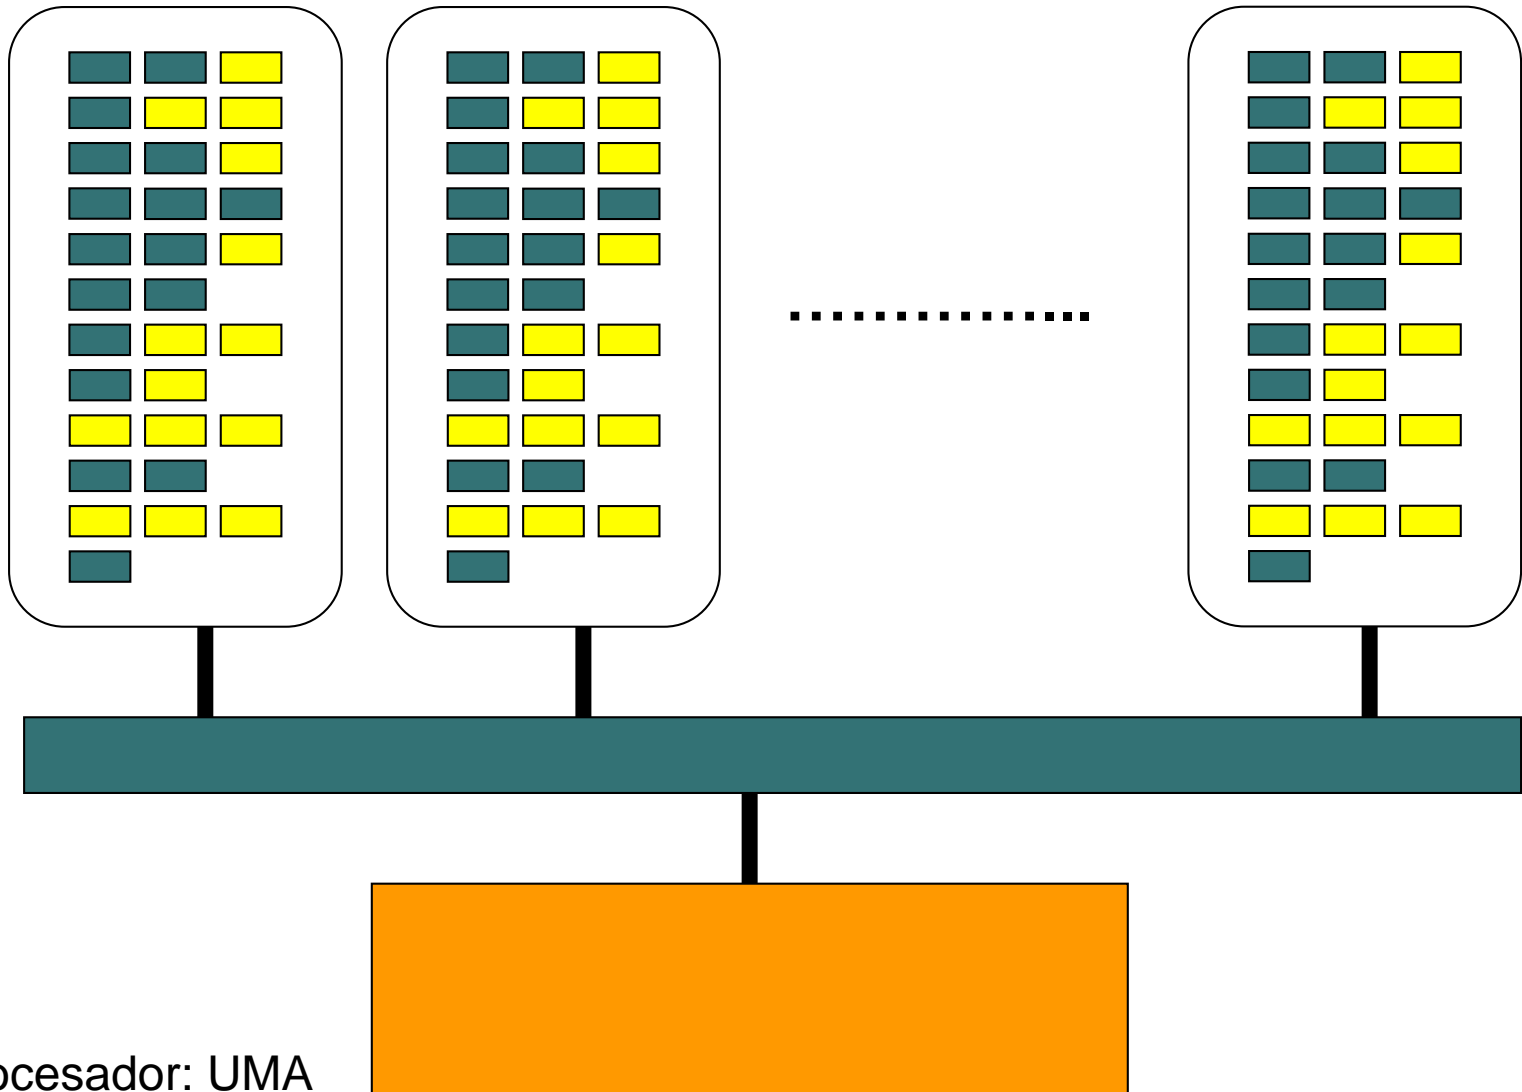

Multiprocesador: UMA

ILP, multithread temporal y multiprocesador

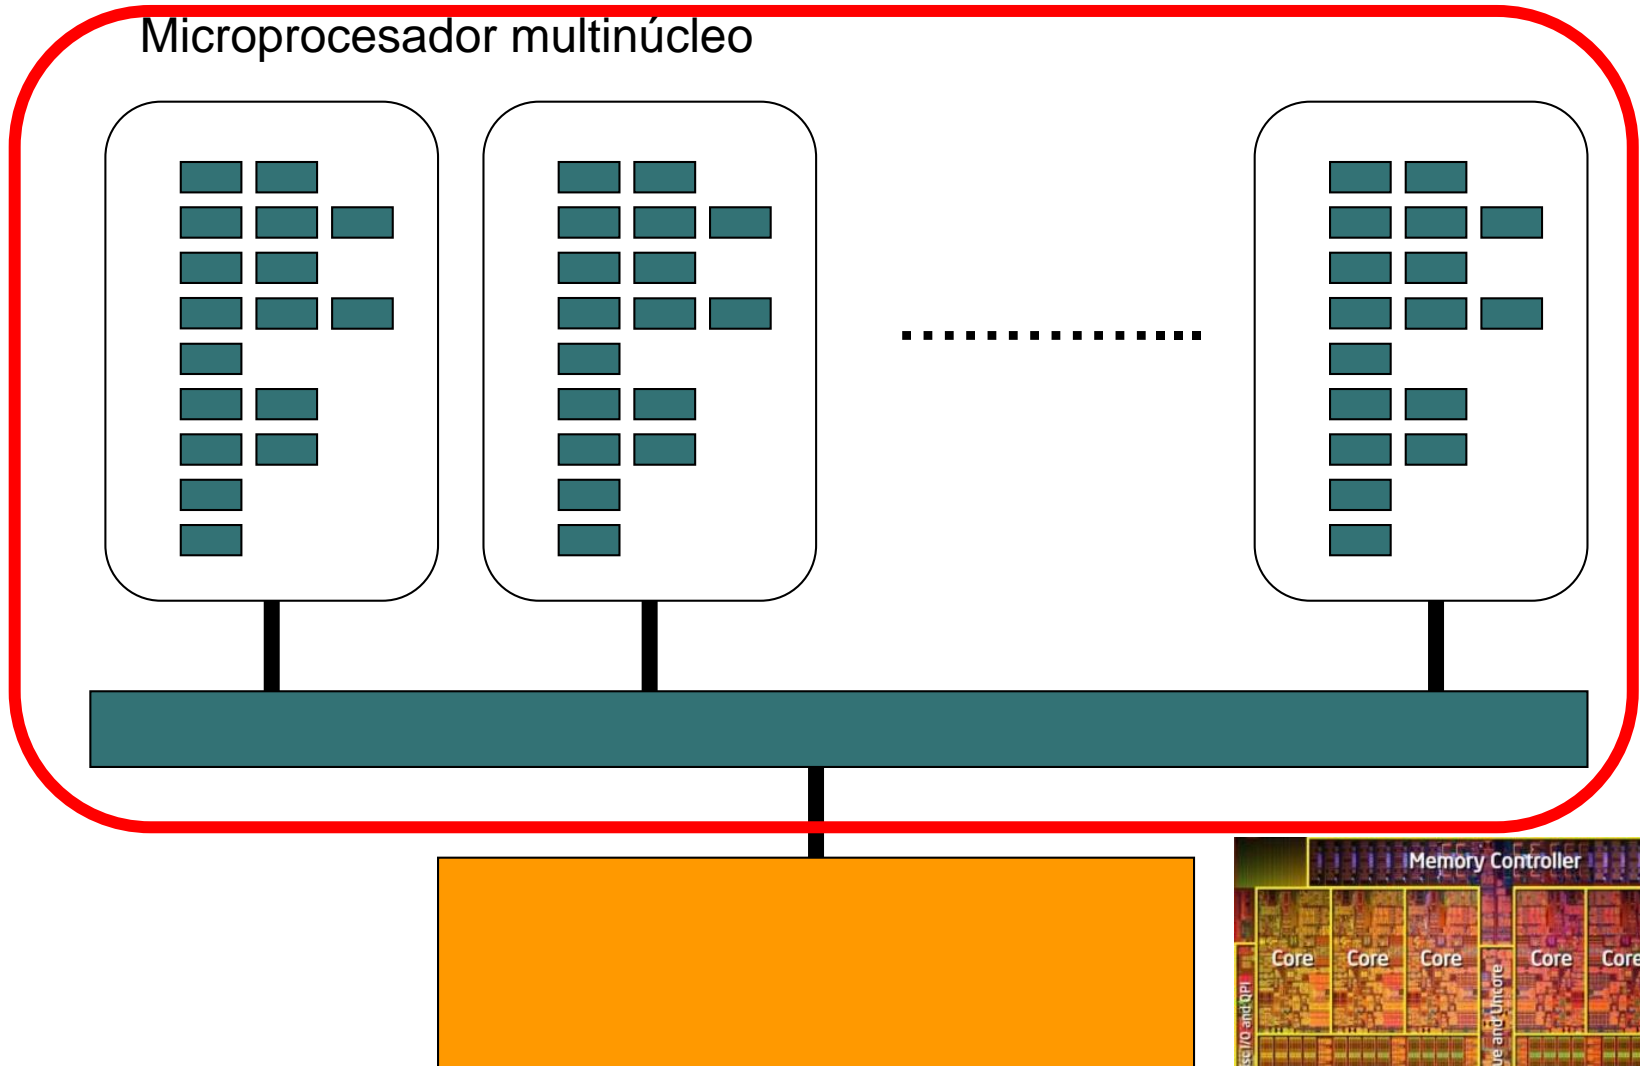

Multiprocesador: UMA

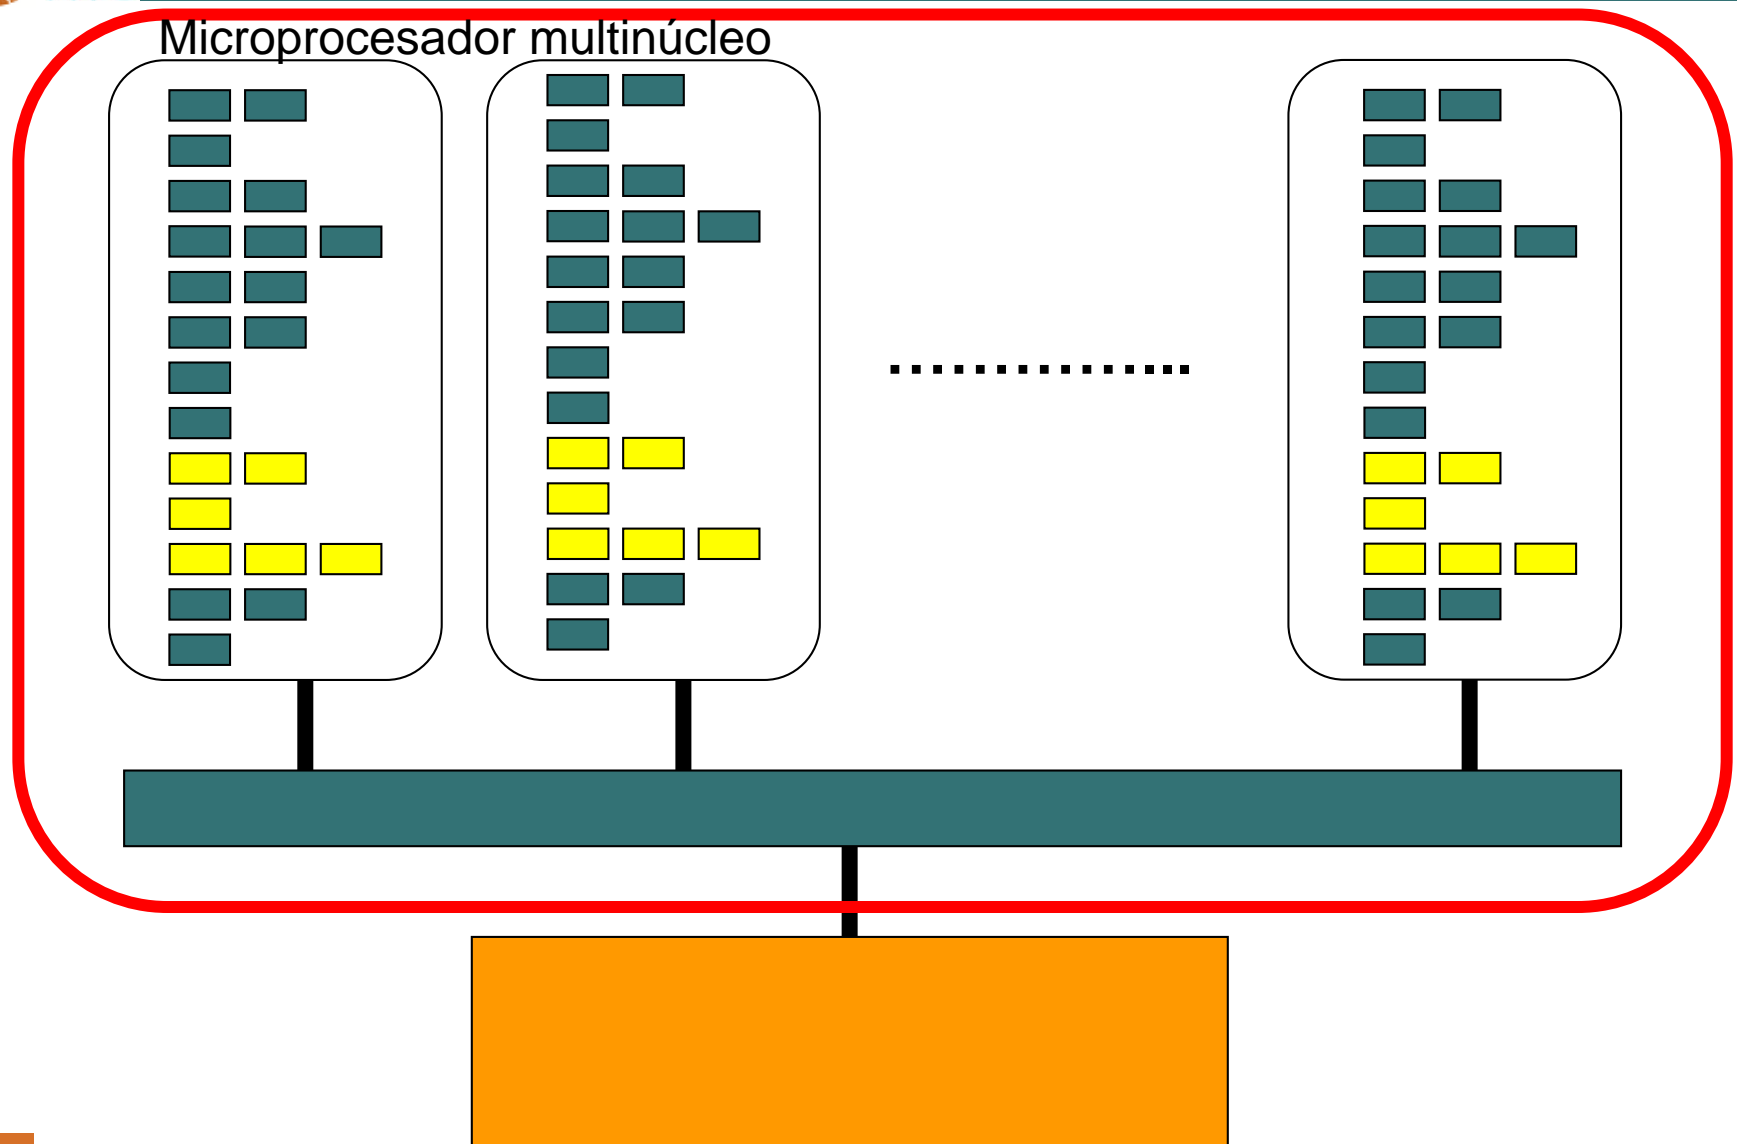

ILP, multithread simultánea y multiprocesador

ILP y multinúcleo

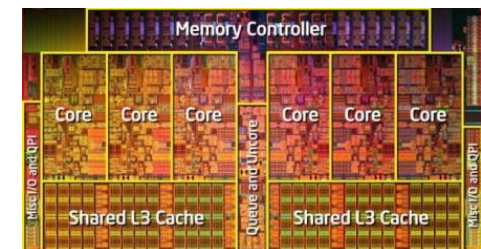

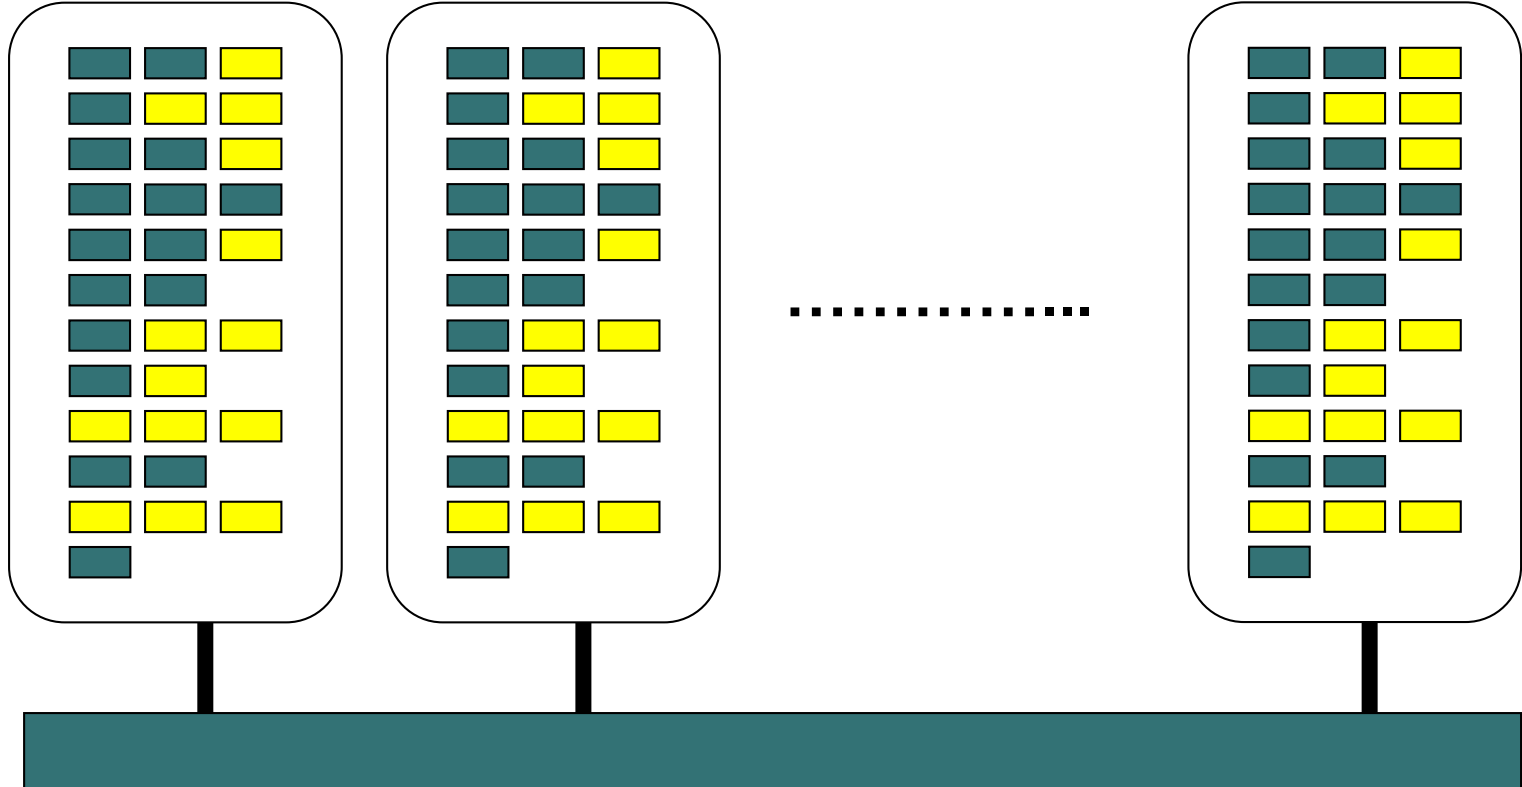

ILP, multithread temporal y multinúcleo

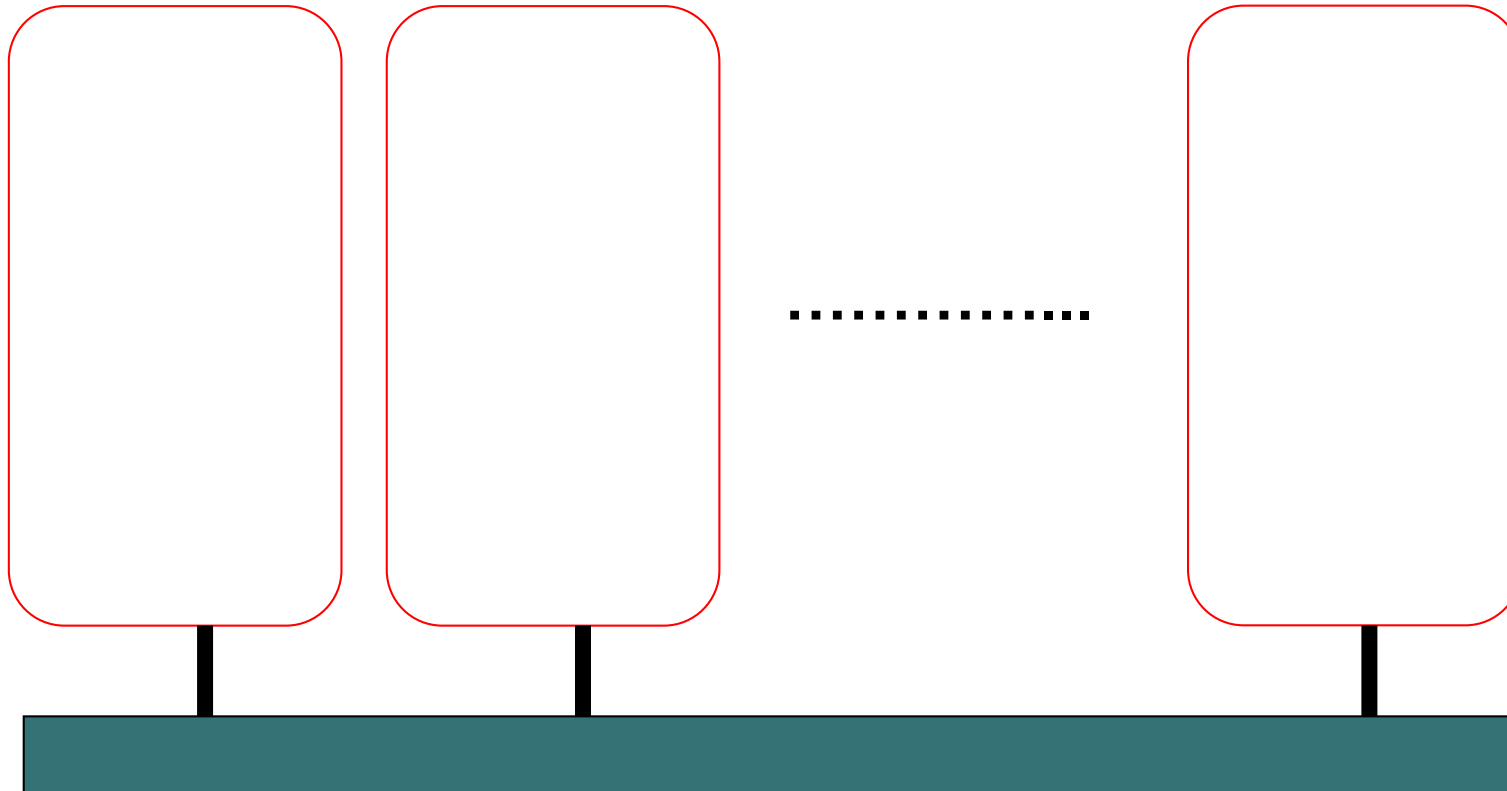

ILP, multithread simultánea y multinúcleo

Microprocesador multinúcleo

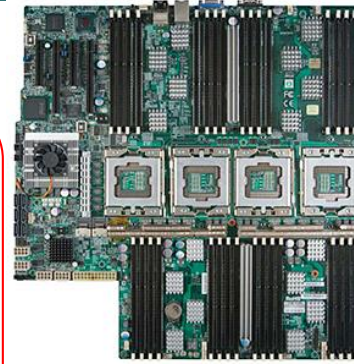

Multiprocesador y multicomputador

Microprocesadores: todos los nodos comparten memoria

Red de interconexión

Multicomputador: los nodos no comparten memoria (los nodos pueden ser multiprocesadores)
